

Casino Moose Jaw

Moose Jaw, Saskatchewan CANADA

THE PROJECT

A 17,000 square foot full service Casino operated by a Saskatchewan Crown Corporation. The simultaneous development of an 85 room hotel expansion, 320 car structured parkade and a pedestrian bridge.

THE TASK

As Project Manager for the various owners, MKT orchestrated and provided input into the master planning, scheduling and budgeting for the complex. Having established a development plan that satisfied the business requirements of all parties, MKT was entrusted with the management of the "fast tracked" design and construction delivery of the project.

THE RESULT

The project was completed on schedule with the grand opening in the summer of 2002. 'Value for money' was agreed to by the Casino's analysts and the various stakeholders achieved their targeted returns as investments.
