

# B.C. Gas

1111 West Georgia Street, Vancouver, British Columbia, CANADA

## THE PROJECT

A 300,000 square foot high-rise office tower located in downtown Vancouver. The project required completion of a \$5.4 Million exterior glazing contract

## THE TASK

The original glazing contractor had defaulted on his contract and the surety was called upon to complete the contract. Approximately four months behind schedule, the contract was to be completed at the least cost to the surety.

*B.C. Gas Building*

## THE RESULT

Under our direction, project management services were provided and a new glazing contractor was engaged and, under strict time and material controls, the project was completed on schedule. This allowed the anchor tenant to occupy thus avoiding any major delay penalties.

Completion Contractor  
for Glazing: Mitchell Kime Thompson Inc.
