TRILEA
CENTRES INC.

Brentwood Mall

THE PROJECT

A two-level shopping centre containing 480,000 square feet including two anchor department stores and 125 small shops. Parking for 2,200 cars was also provided.

THE TASK

To provide management services directly to the owners. To revitalize, re-merchandise and enlarge an existing shopping centre by the addition of a new anchor department store, the re-alignment of existing malls and the addition of a new second level of stores, to be carried out while keeping the existing centre operational.

THE RESULT

A new shopping centre with a modern, fresh appearance containing a better variety of tenants and selection of merchandise. The centre was one of the first in Canada to utilize fabric roofs over the entire public mall area, resulting in lower operating costs.
